ENOUGH

Discovering Joy Through
Simplicity and Generosity

Do you have a tough time separating "wants" from "needs"? Do you sometimes feel consumed by the desire to have more? Do you ever look at your surroundings and feel overwhelmed by the sheer volume of things? When is enough, enough?

10 MINUTES COULD SAVE YOUR LIFE

Preventative ultrasound health screenings are being held at First United Methodist Church on Tuesday December 13. **LifeLine Screening** will scan the carotid artery in the neck for plaque build up, which can lead to a stroke. (75% of all strokes are linked to carotid artery blockage). They also scan the arteries in the legs for Peripheral Arterial Disease, (PAD), which is linked to heart disease.

They offer a third ultrasound for Aneurysms in the Aortic vessel in the abdomen & an irregular heartbeat EKG. Bone density screenings will be available also. The results are sent directly to you after being reviewed by a Cardio Vascular Surgeon. These 5 tests are non-invasive and completely painless and take about ten minutes each. The vascular tests are offered for only \$60 each or at a package price of \$149.00 for all 5. Screenings are recommended yearly for ages 50+ and pre-registration is a must. Space is limited! You can call 800-643-6075 to make your appointment or 678-462-3702 if you do all 5 screenings and want a \$10 discount or for more information & questions.
